Also are you able to please show me screenshots of the Discord where people have said they reported the fakes and they haven't been taken down? or please send me links to some of the fakes.

Thanks

Sorry for all the emails to wake up to, one final question. Hermès has come back and said this to me: Hermes did not authorize nor consent to the commercialization or creation of our Birkin bag by Mason Rothschild in the Metaverse. In fact these NFTs infringe upon the intellectual property and trademark rights of Hermès and are an example of fake Hermès products in the Metaverse.

Do you please have a response?

Thanks

Cristina

Can you please also respond to this comment? Appreciate it is early morning but please do reply when possible:

"The valuable IP is the original work, which you would argue is the Hermès bag," said Colin Bell, head of IP at law firm Brabners. In theory, MetaBirkins is taking away revenue stream from Hermès if it wanted to market their bags as NFTs, he said. "The public could be confused and think the MetaBirkins are official."

Cristina,

Can we set up a call to speak today?

I'm not sure how your article about counterfeit NFTs on OpenSea opened this line of questioning.

Sorry I won't be available then as it will be quite late here.

For context, the piece is still about counterfeit NFTs, as well as this. I went to Hermès for a comment on the MetaBirkin collection and that was their statement. I then spoke to an IP lawyer about their claims and that was his response.

Are you able to please provide a written response to these two points by 9am UK tomorrow so we can reflect in our coverage?

Thanks

Cristina

Cristina:

In speaking with Mason Rothschild earlier today, the artist formally requests to completely remove himself from your story for the Financial Times. This includes retracting all previous statements made in your discussion on Tuesday, December 7, 2021.

Regarding your current inquiry, Mason Rothschild should be quoted as "offered no comment."

Sincerely,  
Kenneth Loo

Hello,

Thanks for your email. We are not prepared to omit his freely given earlier comments. The piece will be published with them and a 'declined to comment' in relation to the Hermes/Bell statements.

Please do let me know if you wish to comment further.

Many thanks,  
Cristina

Hello,

I have seen this update on the case - <https://www.schwimmerlegal.com/wp-content/uploads/sites/833/2022/01/sdny-hermes-v-rothschild-complaint.pdf>

It would be good to catch up on a call about the next steps, if you have time. If not, shall I go through your lawyers?

Thanks

Cristina
